**Re: The Public Service Commission of South Carolina; Docket No. 2009-165-E
Order No. 2009-527**

Dear Ms. Boyd:

The South Carolina Public Service Commission issued the above-captioned Order on August 6, 2009. Ordering paragraph 5 required that Southern Power Company provide proof that all necessary rights-of-way from the landowners affected by the 230kV tap line have been obtained. Attached is a complete set of those rights-of-way recorded in the Office of the Clerk of Court in Cherokee County, South Carolina.

Please notify me if you have any questions about this filing.

Very truly yours,

W. Edward Poe Jr.
